

ONLINE DISPUTE RESOLUTION CENTER FOR CHILD CUSTODY AND PLACEMENT ISSUES

When parents separate or divorce, they have to decide what placement arrangement is best for their children. Now, instead of coming to the Court House, you can create a Parenting Plan Agreement online, in the comfort of your home, when it's convenient for you. **YOU NOW HAVE OPTIONS. IT'S YOUR CHOICE!**

We understand when you are involved in a child custody case, you want to resolve it as quickly as possible. That is why the Court is providing you with an option to do it online and in half the time.

By Creating an Online Parenting Plan you can:

- 1. Resolve your case faster**
- 2. Work on your case when you have time, not just when the Court is open**
- 3. Have an option of a mediator joining your online session to help you reach a resolution**

Creating an Online Parenting Plan allows you to be more directly involved in finding a solution. Rather than presenting your case to a Judge, you can work with the other party (and a Mediator if requested) to find a solution that works for everyone involved, all while in the comfort of your own home and without having to take time off of work! All you need is an internet connected computer, tablet, or other mobile device.
